On entry you are greeted by the multipurpose main floor with an oversize foyer/mud room and office/den (potential 4th bedroom). The double garage is insulated and there is a second entrance. The second floor opens up to a huge living room that can fit any furniture and still have a flex space nook. The showpiece kitchen features quartz countertop, tiled backsplash, stainless appliances, and gas cooktop. In between is a comfortable size half bathroom. A dedicated dining room is off to one side. There is even more living space! a basement with high ceiling and ready for development with a bathroom rough-in and window for possible bedroom.
