4 Bedroom, 3.00 Bathroom, 1,360 sqft Residential on 0.14 Acres

NONE, Didsbury, Alberta

THIS COULD BE YOUR NEXT HOME!! This bungalow is in a great location in Didsbury-close but not too close to the high school and on a quiet street. The main level has a large living room with newer bay window (10 yrs) and is open to the dining area. The kitchen has a huge pantry, oak cabinets and has access out to the secluded back yard. There are 3 bedrooms on the main-the primary has a 3 pc ensuite and walk in closet. One bedroom used to have a washer/dryer so if you need main floor laundry this is still a possibility. There is also the 4 pc main bath and there were many windows replaced 3-15 years ago. The basement does have an illegal suite with tenant. There is a kitchen, large family room, bedroom, 3 pc bathroom and shared laundry with a sink. There's also a storage area and another room that could be a family room or exercise room. The double attached garage has rough in in-floor heat and lots of storage space. The yard has a back deck, shed and pond-it is a lovely area to relax and listen to the birds.
