Residential on 0.13 Acres

Lakeview, Lethbridge, Alberta

Backing onto school park and right next to Coalbanks Trail! One owner home that has been enjoyed for many years, but is now ready for YOUR new vision. Featuring an open and bright main level plan with vaulted ceilings, lots of windows, 3 bedrooms up, and a covered back patio overlooking beautiful green space. The home shows squeaky clean, and the yard has been refently refreshed as well. Major updates over the years include windows and some flooring. There is ample parking here already with a front pad, and back stall but you could potentially add to that with the construction of a detached garage off the back lane too. Note that the basement bedroom window may not meet egress. This could be the ideal place to grow your family!
